Project Title: What Technology Can Do To Your Eyes

Team Members:

Tiffany Chau

Gwenevere Caouette

Ally Wilson

Sponsoring Teacher:

Karen Glennon

Sharee Lunsford

Mentor:

Patty Meyer

People are using technology too much, which is bad for their eyes, leading to a medical problem. It's important to be aware of how long we're on our devices and that we should limit ourselves. We plan to do research and do a survey to see how much time people spend on their devices.
